

|| SENTRAL PORTAL CONSOLE & APP

OVERVIEW

1. What problem does this module solve?

i schools communicate to their parent community in many ways to keep them informed and engaged. The Portal module & Parent app handles messaging, notifications & access to complete tasks. It provides an efficient, effective and clear end to end solution that seamlessly manages key processes and workflows for parent communication & engagement. The new parent portal and app empowers parents; keeps you fully updated and helps you manage and control everything related to your child's education.

2. How does Sentral solve this?

i **The Sentral Portal Module & App:**

The ease of configuring this module ensures that schools can start communication and parent engagement. The Portal & App can be as basic or as detailed as you like to communicate general school information and notifications to parents and students.

- Simple & easy navigation
- Receive push notifications about everything that's important for your child.
- Information that's most relevant and needs your attention appears clearly on your mobile device.
- With our instant messaging feature, have conversations with the school staff and get the feedback you want.
- Has seamless integration to the other Sentral modules.
- Pay for excursions, school fees and so much more. Right away with your credit card and record / track your bills. Easy tracking on notices, notifications, portal messages and broadcasts.
- Homework management: Know exactly what your child needs to complete at home.
- No more notices to sign or papers given to your child for carrying back. Approve instantly on your parent app.
- Track Information: Easy access and reporting – all data is stored automatically and readily available.
