

|| **SENTRAL CONTINUOUS ASSESSMENT**

OVERVIEW

1. What problem does this module solve?

i Schools employ multiple ways to engage student learning. Continuous Assessment module fosters online learning through tasks, assignments and assessment to align with learning outcomes. Students can complete tasks, upload work and self-evaluate. Teachers can grade & evaluate work of evidence-based student learning

2. How does Sentral solve this?

i **The Sentral Continuous Assessment:**

The ease of configuring this module ensures that the schools can start engaging with online learning with your students.

- Simple & easy navigation
- Upload work for your students with ease
- Relate relevant tasks and assessment to the curriculum for outcome-based learning
- Easily review, grade and evaluate student work
- Parents can be notified and view student activity in Continuous Assessment.
- Track Information and status of assessments and tasks

3. Who will use and get value from this Module?

i The Continuous Assessment module will be used by teaching staff who handle student learning. A deep understanding of current school policies and procedures is essential to ensure online learning is centralized & managed. Continuous Assessment also benefits the parent community who can be notified of online work.
