Academic Reports

Issues resolved

- **Progression Point Breakdown was doubling up for Year 0 students**
- **The ability to print secondary assessables in achievement tally component made the report generation very slow and unusable**
- **Reports: ACT Importer: A Class was not importing if an inactive one with the same name also existed**

Attendance

Issues resolved

- **Absences were being created on interactive rolls before the confirmation screen had been completed**

Version	23.8.07-MT
