

Service Release Notes

Version 26.1.1
Release date 23/2/2026

Academic Reports

Issues Resolved

- **When importing a new template layout using Primary as the reporting style, the predefined templates were missing and the upload functionality did not work**
For NSW Government Schools only
- **Template component option for 'Progression Example (AusVELS or VC)' component did not display in the UI**
- **The student filter stopped working when any additional filter was selected on the Generate Reports page**

Attendance

Issues Resolved

- **The pop-up time for adding a comment after deleting an absence was too short; added additional time**
- **At the beginning of the Academic Year, the Transport Change Request page did not load because there was no 2026 data**
- **Non school days for Flexible Classes students from previous years did not appear correctly on the attendance heatmap**
For ACT Schools only
- **Improved the consistency of generating absence notifications to staff**
- **Editing an Explained Absence Reason automatically changed the type to "Unexplained" and the explanation status could not be edited**

Daily Org

Issues Resolved

- **Removing a cover automatically republished data to Timetables, causing incorrect data to be displayed**
Users now need to manually republish after making changes for both adding and removing covers

Integrations

Issues Resolved

- **Admins were unable to access the Config Page for Tes Timetables**

Interviews

Issues Resolved

- **Two different households were able to book the same interview timeslot with the same roll class teacher**
For ESF Schools only

Plans

Issues Resolved

- **Student names in Student Plans were displayed inconsistently**
Student Plans now use the UI preferences to display the appropriate student name throughout
- **Old student photos sometimes appeared on printed Student Plans**
- **Student Plans with selection or multi-selection fields repeated the chosen values across all rows**

Timetables

Issues Resolved

- **Timetabler v9 imports did not link subjects to faculties**

Visitors

Issues Resolved

- **Automatic Visitor Check-Out was not running for ACT tenants across UAT, PreProd, and Production**
Visitors now correctly auto-check out and no longer appear as active after the scheduled time
For ACT Schools only

Wellbeing

Issues Resolved

- **Notification rules did not display special characters correctly**
- **Compass Chronicle displayed an error when importing files**
Improved Compass Chronicle performance and increased file size allowance
