Attendance

Issues resolved

- **Reports: The Return of Absences report would not generate if the 'Show only percentage attendance' checkbox was selected**

  Attendance | Reports | Return of Absences

- **Incursions: Incursion Register screen was showing the legal name for a student instead of their preferred name**

Dashboard

Issues resolved

- **Widget: Certain widgets on the dashboard could not be edited or moved**

Fees and Billing

Issues resolved

- **Permissions for excursion count was displaying an incorrect figure**

  The activity permission given count and paid count was displaying a figure based on activity only. This issue has been resolved and the activity participant count is now correctly displaying a figure that is based on a combination of activity and current cycle instance.

- **Banking: Cash Register Contents Report was showing rounded amounts and totals**

  This issue only affected NSW public schools with Sentral Finance enabled.

Markbook

Issues resolved

- **When viewing a Grade type task, selecting the View Column on Distribution Plot button would result in a page not loading error**
