Version 23.5.4-ST

Release date 17/7/2023

Fees and Billing

- **Xero/Dynamics Sync: Debtors were synced unnecessarily to the Financial Management System (Xero or Dynamics)**
 - When integrated with Xero, inactive debtors were being synced to Xero as active contacts as part of the overnight sync (or if you clicked the 'Sync with Xero' button in Sentral). Inactive debtors will no longer be synced to Xero as part of these syncs. However, if an inactive debtor is synced to Xero directly via the 'Sync Debtor to Xero' button in the Debtor Overview, the associated contact in Xero will be archived.
 - When integrated with Dynamics, unmodified debtors in Sentral were being synced to Dynamics. Debtors that have not been modified since the previous Dynamics sync will no longer be synced to Dynamics.

Version 23.5.5-ST
